

## Highlights

08/12/2025 The new Porsche 911 S/T

### The new Porsche 911 S/T

#### Special edition celebrates the 60th anniversary of the 911

Six decades of the Porsche 911: 12 September 2023 marks the 60th anniversary of the first presentation of this iconic sports car.

#### Limited to 1,963 examples

In a nod to the debut year of the 911 – 1963 – Porsche has limited production of the 911 S/T to 1,963 examples.

#### Lightest 911 of the 992 generation

With extensive use of CFRP and many bespoke components, the 911 S/T features a kerb weight of just 1,380 kilograms.

#### 4.0 litre, 525 PS, 9,000 rpm, manual transmission

The Porsche 911 S/T () combines the high-revving flat-six engine of the 911 GT3 RS (**911 GT3 RS (WLTP)\***: Fuel consumption combined: 13.2 l/100 km; CO<sub>2</sub> emissions combined: 299 g/km; CO<sub>2</sub> class: G) with an exclusive six-speed manual transmission.

#### Lightweight clutch and single-mass flywheel

Significant weight reductions in the rotating masses make the 911 S/T exceptionally responsive.

#### Purist chassis design

The 911 S/T combines a double wishbone front-axle design with a multi-link rear axle, but without rear-wheel steering.

#### Optional: Heritage Design Package

The Heritage Design Package recreates the traditional character of the model with its bodywork and in its interior.
