

Overview Sustainability

12/03/2024 12.03.2024 - *The content of this website presents selected information from the annual and sustainability report 2023 of Porsche AG. All information therefore relates to the reporting date and has not been updated since its publication on March 12, 2024. The German PDF document of the annual and sustainability report is legally binding.*

The Porsche AG Group aims to tackle modern sustainability challenges it faces as an automobile manufacturer. The Porsche AG Group has designed its sustainability framework around six strategic pillars that reflect the self-defined responsibilities: “Decarbonization”, “Supply Chain Responsibility”, “Partner to Society”, “Circular Economy”, “Diversity”, and “Governance and Transparency”.
