Readings, autograph and signing sessions, concerts as well as design shows and book presentations are held in the middle of the exhibition.

Alongside rally driver Walter Röhrl, the works drivers Marc Lieb, Richard Lietz, Jörg Bergmeister, Patrick Long, Timo Bernhard and Romain Dumas have already signed autographs for Museum visitors. Porsche designers have also given an insight into their creative work and transformed the exhibition into a fictitious design studio.

Fascinating events relating to the history of the Porsche brand take place in and around the Porsche Museum on a wide range of different occasions. Whether special exhibitions or anniversary events such as the 70 Years of Sports Cars anniversary in 2018, an extremely varied programme is offered to visitors. The children's summer holiday programme and the theme week for persons with disabilities are firmly established on the annual calendar.

Information about current events is available on the internet at Porsche Museum.
